

CLOSING OUT.

WIND-LADEN CLOUDS

Tempest Seemed to Threaten,
Thursday Afternoon.

NO DAMAGE DONE IN THIS SECTION

Storm Was Much More Serious North
of Here—A Man Killed at New-
burgh—Frightened Rail-
road Passengers.

No storm ever approached this city with a more threatening aspect than that which rolled up from the northwest, Thursday afternoon, and when it came close enough to town to send the dust rising high in the air in six miles an hour, the people in the vicinity of this office closed their doors and windows in silence and waited for something frightful to happen. It looked as if Bloomingburgh must be in the throes of a terrible cyclone with much lightning, and the distant roar of thunder was heard.

The heavy wind blew the doors shut in the rear of the *Times* office, smashing the heavy glass panes.

Bennett's hotel in that village was called up by telephone and Fred Bennett was asked if the storm was doing much damage there. He responded: "There is not much of a storm here, but from the looks of things Middletown must be getting a fierce one."

The storm hence passed between this city and Bloomingburgh. It rained heavily at Otsville and Fair Oaks, but did no damage. It was most severe as it passed through Ulster county and down the Hudson.

A man named Shaffer, a guest of S. D. Bush, who arrived here from Gardner, reported that the storm was mightiest there. Mr. Bush, who was at Montgomery, reports that there was quite a heavy rain there. Goshen also had a heavy rain.

At Poughkeepsie there was a very heavy rain, and lightning and thunder made the valley echo and re-echo in a way that frightened even the brave. A party of visitors at Sun's Point got as far as the Botetourt house and took refuge there during the storm.

MAN KILLED AT NEWBURGH.

A dispatch from Newburgh, Thursday, says: A severe storm passed over the Hudson Valley about 4:15, Thursday afternoon, unaccompanied by heavy thunder and vivid lightning. A number of trees were struck, and Patrick Kelly, at work in the brickyard of Nathaniel Covert, was struck by lightning and instantly killed. His body turned black, and his clothing was badly torn.

The first of the First Baptist Church, Newburgh, was struck, but no damage was done beyond the tearing off of a few shingles.

A clothes line post on the roof of Peter McCormick's house, Newburgh, was struck and split, but the house was not damaged. Mr. McCormick was somewhat shocked.

A horse that was being driven along the South Plank road, near Orange Lake, was struck and killed.

Passengers on a south bound New York Central train, due at Fishkill Landing at 4:15, had a bad fight when near the station at Low Point, three miles above there. There was a sharp flash of lightning, then a crash, followed by the breaking of windows. It was found that a large tree on the river side of the road had been struck by lightning and had fallen on the train as it was passing. Fifteen windows were broken and several passengers received slight cuts.

PORT JERVIS EXCISE ARRESTS.

Accused Bartender Discharged—Saloon Keepers' Cases Disjoined.

John Campbell, bartender in William Brown's hotel in Port Jervis, who was charged with violating the excise law by selling whisky, Sunday, to excise agents McLean and Lantham, had an examination, Wednesday, before Justice McMurtry, and was discharged.

The special agents testified to the purchase of whisky, and that curtains and screens obscured the view of the barroom from the street.

Witnesses for the defendant testified to the sale of meals (sandwiches) to other customers about the time the inspectors were in the place, and that the agents had ordered sandwiches but had countermanded such order before it was served.

The justice was apparently of the opinion that the evidence of special agents was not to be accepted when it conflicted with that of local residents, and his decision that the accused bartender should be discharged, was received with evident satisfaction by the crowd present at the trial.

The cases of the accused saloon keepers have been adjourned until Aug. 9, to give Frank Lynde, who appears for the prosecution, an opportunity to consult with District Attorney Powelson. The defendants were held in \$250 bail.

HANDBOME MONUMENT.

Erected on Chauncey E. Horton's Lot in Hulsite Cemetery.

Chauncey E. Horton, of New York, has just had a massive shaft monument erected on his plot in Hulsite Cemetery. It is cut from a fine grade of Burmese granite, and is unique among the monuments in the cemetery from the fact of not having a gloss finish in any part. The surface is ground down smooth, but is not glossed, the effect being a soft light gray, which is very pleasing.

The monument, which stands something over 35 feet high, is a model in its outline and is enriched with some very fine carving.

A handsome entrance cut from on-block of granite, and massive corner posts, all of the same finish as the monument, complete one of the most beautiful memorials in Hulsite.

C. Roger Smith, of this city, is the designer and builder of the monument.

ADMISSION.

MANILA, July 25.—General Hall defeated General Malabar's garnison of 300 Filipinos at Calumpit, Wednesday, after a sharp engagement, fighting through the north and south avenue of the insurgents. The expedition was under the supervision of General Lawton. Four hundred American troops armed with Krags, Jorgensens, and Hamilton's mountain battery left Pasig at 3 o'clock in the morning and joined Captain Eltebrand, with 450 men of the Twenty-first infantry, 150 cavalrymen and the army gunboats Nipahon and Oeste.

At 8 o'clock in the afternoon the gunboats commanded by Captain Island had succeeded in defeating the Calumbangs, and in believing that they were entitled to attack Santa Cruz. Suddenly, however, they landed the cavalry and the men of the Twenty-first infantry a mile north of Calumbang. A 12 foot rise of the lake had flooded the insurgents' trenches, hence there was no opposition on the part of the enemy until the cavalry were swimming the river. The insurgents were driven off by the Americans, Captain McGrath and Lieutenant Bateson Swan secured a camp, which they termed "Camp Guanay."

The cavalry advanced upon the town while the Twenty-first detachment plowed through the marshes and circled the foothills to the west, preventing a retreat of the enemy on three sides. They then swam to the southeast, flanking the enemy, who retired into the town. After fighting there the streets they escaped south to Santa Tomaz. The Washington troops under the cover of the Nipahon's six pouders, landed in water neck deep and got possession of the main road to the south. Consequently, they were able to capture the other troops.

A hundred noncombatants in carriages drawn by four teams escaped to the south unopposed. The enemy removed about 26 of their killed and wounded and also took with them 20 Spanish prisoners. Thirty of the latter, including five wounded, were rescued by the Americans and conveyed to Manila.

Calumbang, which is on the lake, is a position of strategic importance, and will be permanently garrisoned. General Lawton and his men and were interested in the capture of the fort from a bunch, and were under fire.

The American loss was four men killed and 11 wounded.

Yesterday General Lawton, on board the Nipahon, visited Las Banas, to the south of Calumbang. He found there a deserted Spanish hospital for rheumatism, with hot springs and marble baths, which he recommends to the use of the army. Professor Worcester of the American Legation accompanied General Lawton and congratulated him on his discovery.

The argument in the matter of the submission of the contest over the probate of the will and testament of Nancy R. McNeal, late of the town of Montgomery, was had before the Surrogate at his office in Newburgh, July 25.

There is more Catherin in this section of the country than all other diseases put together, and until the last few years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catherin to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catherin Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circular and testimonials. Address: F. J. SLEEP.

Curious Facts Worth Remembering. Do we get Enough of it?

Sleep is the state during which the repair shops of the brain make good the damage of the waking hours. During action the nervous matter, which, in time of health and vigor, completely fills the tiny brain cells, is actually consumed, precisely as coal is consumed when one gets heat from a furnace. It requires a period of absolute rest for these exhausted cells to recuperate and become as good as new again, and this can come only from sleep; and the man who does not give himself sufficient hours of sleep, or who is unable to sleep when he makes the effort, is literally burning away his brain substance; and he can no more keep on indefinitely in this way than a locomotive can run on indefinitely without getting fresh supplies of fuel.

As a brain and nerve food and medicine, there is nothing equal to Dr. Miles' Restorative Nervine. It induces sleep by soothing the irritated nerves and quieting the excited brain. It greatly aids, also, in replenishing the nervous forces by supplying the empty brain cells with fuel for their vital fires. Men who are overworked and whose business troubles keep them awake at night, men who suffer from headaches, nervousness, dizziness, lack of energy, will find Dr. Miles' Nervine, an unfailing source of relief. It is like oil upon troubled waters. It brings sweet, refreshing, restful sleep—sleep that gives new energy, new vigor, new strength with which to fight life's battles.

Dr. Miles' Nervine is used by thousands of physicians in their practice. Read what Dr. M. O. Burkholder, Staunton, Va., says:

"I am more than pleased with the results of my trial of Dr. Miles' Nervine in cases of extreme nervous debility. In one case nothing else had availed. It is the best nerve remedy I have found in low conditions attended with insomnia. The patient is soothed, and, as if by magic, starts on an upward movement rapidly. In LaGrippe convalescence it is the very thing we want, as this peculiar disease seems to attack principally the nerve centers. I recommend it constantly."

All druggists are authorized to sell Dr. Miles' Nervine on a guarantee that first bottle will benefit or money will be refunded. Be sure and get Dr. Miles' Nervine. Write for free booklet on heart and nerves.
